25 Many are saying SOMETHING has to happen before the 6th before the Rally in DC can be effective and safe.. Maybe, but a massive Military presence in DC would be quite a sight, wouldn't it?

3 I don't need the military in DC to feel safe. I feel safer with my fellow Patriots, thank you.

1 When I say 'safe', I mean no Deep State sniper teams or similar.

That would be a shit show.

1 The military under the command of the current CIC could be considered Patriots.

The DC police not so much.

3 With a huge invasion of Trump supporters inbound, I am sure the swamp creatures would not complain.

A platoon of US Marines in dress blues ceremoniously entering the Capitol building on 1/6 accompanied by US Marshals bearing hundreds of arrest warrants might be more joy than my heart can take.

2 You seem to think that the military would be there in your favor. Dont forget the majority of top level brass are warmongers looking for a fat paycheck when they retire and dont like Trump

1 If you require "safe" stay home. The president said "will be wild".
